Allies Urged To Get Forces Out Of Egypt

Hammaraskjold Presses Israel, France, Britain

U.N. Chief Asks Their Withdrawal As Police Force Enters Egypt

UNITED NATIONS, N.Y. (AP)—U.N. Secretary General Dag Hammarskjold pressed Britain, France and Israel today for a timetable for withdrawal of their troops from Egypt now that the U.N. police force has gone in.

There was no indication the secretary general's request would be answered speedily. All three nations obviously were hoping for some modification of Egypt's insistent stand that the police force must get out of the Suez Canal zone after the troop withdrawal. Informed diplomats said Hammarskjold would report to the General Assembly that he had sent notes to three powers which invaded the Arab state. These, it was said, cited the Assembly resolutions calling on them to withdraw, noted they have not done so and asked when they plan to comply with the Assembly request.

British, French and Israeli sources refused to comment.

Egyptian Foreign Secretary Mahmoud Fawzi, arriving to attend the Assembly session, warned that the continued presence of invasion troops in the canal zone was "dynamiting" peace. Egypt forwarded a statement to Hammarskjold charging that the invading nations were committing atrocities on Egyptian civilians and asking a U.N. committee to be named to investigate.

Satisfied With Deployment
Diplomats said Hammarskjold—just back from a trouble-shooting force's entry into Egypt and its trip to the Middle East—has voiced satisfaction with the U.N. force's entry into Egypt and its deployment so far.

The informants said Hammarskjold had finally gotten the seven-nation Middle East Advisory Committee to approve his report on his trip to Egypt.

The report—contained in three documents—dealt with:

1. A review of Hammarskjold's messages to Britain, France and Israel concerning troop withdrawal.

2. A summary of his talks with Egyptian President Nasser and disclosure that no agreements were reached with the Egyptian leader. Also recorded were Nasser's views on the U.N. force and Hammarskjold's own on-the-spot appraisal.

3. An account of negotiations for salvage operations by Scandinavian and other "neutral" European companies to clear the wreckage-choked Suez Canal. It is believed this task will take at least five months.

Policeman's Trial Will Start Dec. 3

LISBON — The trial for Jerry Raimond, 33, former East Liverpool merchant policeman, will start Monday, Dec. 3, according to Norman Ward, assignment commissioner.

Raimond pleaded not guilty when arraigned on a Grand Jury indictment before Judge Joel H. Sharp Monday.

Raimond is charged with receiving and concealing stolen property in connection with a burglary in March 1952 at the Burbick Hardware Store, East Liverpool. Over \$300 worth of photographic equipment and merchandise was stolen.

The defendant will be represented by Atty. Hugo Alexander of Steubenville, former Jefferson County prosecutor, and Atty. Sam Chertoff of East Liverpool.

Raimond was acquitted last June on a charge of burglary at Bertram's Lumber Co., East Liverpool, but he faces trial in four of the seven cases still untried in the East Liverpool police burglary scandal.

Raimond is free on \$1,000 bond.

U. N. Troops Enter Port Said District

CAIRO (AP)—A unit of 190 battle-clad Norwegian troops moved into the northern sector of the Suez Canal zone today to tackle the U.N. police force's first active Middle East peacekeeping mission.

A U.N. spokesman said the contingent would try to ease tension between Egyptians and British-French forces holding Port Said, at the north end of the canal.

The operation had a go-ahead from both Egypt and the British-French military authorities, but it was announced that it was not connected with any withdrawal of British or French troops from the canal zone.

The British-French commander at Port Said announced he was not pulling out of his men.

Wearing U.N. blue helmets, the Norwegian soldiers moved north by train from the U.N. police force Assembly area at Abu Suweir, behind Egyptian lines near the canal's halfway point. They were part of an international force of some 700 airlifted into barracks for further orders.

Port Said has been a center of tension since a cease-fire halted the fighting in the canal area. Egypt has charged the occupying forces with atrocities against Egyptian civilians. British and French authorities have complained of cease-fire violations and have charged a calculated campaign is being conducted to prevent the city's civilian population from cooperating with their occupation.

Egypt's latest charges of atrocities by Britain, France and Israel came in a statement calling for a U.N. investigation into "barbarous aggression." The statement was forwarded to U.N.

Russell Downey, Navarre police chief, estimated the damage to the building, owned by B. H. Meyer of Massillon, and to a grocery store and department store housed on its first floor.

Joe R. Tornabene, owner of the grocery, lost a heavy pre-Thanksgiving stock of foodstuffs. The owner of the department store, Mrs. Caroline Salberg, had intended to show the store to some prospective buyers today.

Pozenel On County School Board; West Transfer OK'd

LISBON — Jack Pozenel, 43, foreman for the Torrence Coal Co., was elected last night to the Columbiana County board of education which gave approval to a transfer of part of West Township school district to Minerva in Stark County.

Pozenel, who succeeds Paul Wilms of Fairfield, has been a member of the West Point and Beaver Local school boards. He is president of the latter.

Atty. J. Warren Bettis of Salineville, who resigned last night for "personal reasons," said he knows the county system will go forward. He has been president of the county board.

Donald Stafford spoke for a West Township group that wants to merge immediately with Minerva School district. He said he contacted 861 people who had preferences. Sixty-one people contacted had no preference, 827 wanted to annex immediately with Minerva, 34 wanted to annex with United Local, 29 expressed no preference and 40 expressed nothing. Of these totals there were 96 per cent in favor of Minerva and 4 per cent for United Local, he added.

Olin Sanor, member of the West Board, cited his views on this merger, he stated he heard that people were told they would abandon West school if they didn't go to Minerva. He feels that United Local can give them just as good an education as Minerva and he thinks a study should be made before anything is done.

He said he feels that their 6-mill levy failed because the people were taking more interest in trying to transfer to Minerva district than trying to get the levy passed. He declared the survey is not a true picture and he would have no part of it.

John Brenner of United Local Board was present but did not voice an opinion.

Bettis asked the board for a motion on the West group's request as they had promised them an answer. Ben Weingart of RD, Lee-tonia, made a motion to give them the southeast section, including Bayard, to Minerva. It amounts to about 3½ square miles along the southwest edge. Ronald Hoopes seconded the motion. All the members voted for it including Jack Pozenel but Bettis said he would vote for it but with reservation.

As it now stands the southeast section will go to Minerva providing they will take them and the balance of West Township will come to United Local. High school pupils of West Township have gone to Minerva schools for last 50 years.

Congressman Sees Russians Kill Refugee

Rep. Walter, Other Americans Witness Shooting On Border

VIENNA, Austria (AP)—A U.S. congressman said he saw Russian soldiers shoot down a refugee today on Hungarian soil near the Austrian frontier.

Rep. Francis Walter (D-Pa.), here to survey the U. S. aid program for Hungarian refugees, told newsmen he witnessed the incident while on a trip to the Hungarian-Austrian frontier with Lt. Gen. Joseph M. Swing, U. S. commissioner of immigration and naturalization, and John V. Lindsay, executive assistant to the U. S. attorney general.

Walter's account coincided with statements by refugees of trainloads of countrymen being deported to Russia. This was made in the face of protestations from the Soviet-controlled Budapest radio that there have been no deportations, and promises that Russian troops will turn over all arrested Hungarians to the regime of Premier Janos Kadar for trial.

Walter said he was actually walking on Hungarian territory some distance from the first Hungarian checkpoint when he heard shooting and saw a man running. The man was running beside a small canal about 100 yards from the congressman with soldiers firing at him.

Walter said he saw the man fall down the canal bank as though he had been shot. Refugees who came across the border later told him the soldiers were Russians, he said.

Gen. Swing also heard the shooting and saw people running, he said.

Walter, Swing and Lindsay made the trip to the border with western newsmen.

Gunfire Heard
They motored from Vienna to the swampy region near Lake Neusiedlersee, where the border seemed still open. Many of the refugees came across a narrow bridge spanning a canal which forms the border there. Machine-gun and rifle shots and the rattling of tanks were heard.

For 30 minutes, Hungarian soldiers stopped refugees on the bridge and checked their papers. They told youngsters among them to "go back to Budapest." But after 30 minutes the soldiers gave up and the stream across the border resumed.

Tuesday night, refugees—men, women and children—jumped into the water of the canal covered partly by thin ice when passage over the bridge seemed too slow. They were sped on to warm shelter by helpful Austrians.

Radio Budapest held to the Soviet line in its broadcasts.

The broadcasting station of Kaiser Family Radio, Vienna, said it was in favor of a strike.

West Coast longshoremen were working but there were indications they had voted overwhelmingly to strike in support of the six-day-old East and Gulf coast strike being waged by the International Longshoremen's Assn.

The West Coast strike vote was by Harry Bridges' International Longshoremen's and Warehousemen's Union, which has 16,000 members on the coast. Officials of the union said in San Francisco that the vote was overwhelmingly in favor of a strike.

The longshoremen on the West Coast returned to work Tuesday following 24-hour stop-work meetings. The meetings were called to discuss the strike on the other coasts by the ILA and also the ILWU's own demands for more pay in contract negotiations with the Pacific Maritime Assn.

Bridges replied today to a declaration by William V. Bradley, president of the ILA, that the ILA did not want help from the ILWU. Bridges told Bradley in a telegram:

"You should bear in mind that West Coast action regarding East Coast ships is the kind of basic and automatic trade union support our union is accustomed to give any union in a strike.

New Schwartz Store Set For Opening On Friday

Ribbon-cutting ceremonies Friday morning at 10 will open the newly constructed Schwartz Store at 171 South Broadway. Mayor Dean Cranmer will officiate at Friday's ceremonies.

The new structure, faced with attractive crab orchard stone, also features a canopy with indirect lighting.

The building was designed by Richard N. Zuber of Alliance. Interior sections, executed in a charcoal and pink decor, were set up by Harold Lewis of New York and Herman Feldstein of Toledo.

The store is two and one-half times larger than originally, with a complete floor of children's fash-

ions in the basement section and another at street level section for feminine apparel. A feature of the children's section will be a coral where children may be entertained while their parents are shopping.

Originally founded in 1916 by Joseph A. Schwartz, Schwartz's has been a Salem retail establishment for 40 years.

The old building partially collapsed during a severe storm in March and the structure was razed this summer to make way for the new edifice.

Officers of the incorporation are Horace K. Schwartz, president; and Mrs. Goldie K. Schwartz, secretary-treasurer.

Local Contractors Urged To Bid On High School Job

School Business Manager Darrell M. Fadely today urged local contractors to bid on parts or all of the project to construct Salem's new \$2 million senior high school.

Fadely said architect's drawings of the school are available at his office in the high school as well as at the architect's office in Cleveland.

The business manager explained that contractors who feel they are too small a company to handle the entire project can bid to sub-contract a part of it. Fadely said he can secure from the architect's for local contractors a list of the large general contractors who will be bidding on the job.

Local contractors can then contact the general contractors to bid on a part of the project, he said. The project will be in five phases, he said. These are the general contract, electrical, plumbing and or heating, and the dividing door in the gymnasium.

Equipment will be purchased later as needed for the rooms, he said, and other local businesses can take part in supplying this equipment.

U.S. To Act In Dock Strike

Crippling Walkout Threatens To Spread

NEW YORK (AP)—Federal action to halt the 20-million-dollar-a-day Atlantic and Gulf coast waterfront strike was reported imminent today, and the crippling tieup threatened to spread to the Pacific Coast.

The possibilities of federal action were:

1. A move by President Eisenhower to invoke the national emergency provisions of the Taft-Hartley Act.

2. Or action by the National Labor Relations Board on a pending employer complaint.

Camp Kilmer Awaits Hungarian Refugees

CAMP KILMER, N.J. (AP)—This sprawling Army camp is ready to extend a warm welcome on this eve of Thanksgiving to 62 Hungarian refugees from Soviet terror.

Posted over its gates is a huge sign in Hungarian reading "God has brought you."

The refugees were expected to arrive at McGuire Air Force Base today aboard a four-engine DC4 chartered from the Flying Tiger Airlines by the Intergovernmental Committee for European Migration.

They are the first of 5,000 to come here for permanent resettlement under orders of President Eisenhower. Four other plane-loads are expected Thanksgiving Day and Friday.

Rep. Francis Walter (D-Pa.), co-author of the McCarran-Walter Immigration Act, said in an interview in Vienna Tuesday that America should admit 17,000 Hungarians, not just 5,000.

"I don't know where that 5,000 figure came from," he said. "My information is that as many as 17,000 could legally be admitted as 'escapees'—and they should be."

In Austria, meanwhile, the flight of refugees across the border from Hungary continued at the rate of more than 3,500 a day—three or four times as fast as they can be resettled.

Thirteen nations have offered to resettle 27,500 and Canada has said it will take as many as want to come. But more than 40,000 Hungarians were already in Austria Tuesday night, most of them living in uncomfortable transit camps.

House Committee To Probe Communism In Youngstown

WASHINGTON (AP)—Youngstown, Ohio, and Chicago will be sites of hearings conducted by subcommittees of the House Un-American Activities Committee, it was announced Tuesday.

The Youngstown hearings were set for Nov. 26, 27 and 28 and those in Chicago for Dec. 3 and 4.

Committee Counsel Richard Arens said that in general the hearings will be a continuation of inquiries into what he called communist political subversion. The hearings also are concerned with what he said was communist efforts to fight executive and legislative actions directed against the communist conspiracy in the United States.

Arens said the first two days of the Youngstown hearings also will deal specifically with "the communist underground organization set for Nov. 26, 27 and 28 and those in Chicago for Dec. 3 and 4."

Firemen fought the blaze for almost an hour before it was brought under control. The fire spread upward through the partitions and was subdued only after firemen chopped a hole in the west gable and fed water down through the attic.

Lester Moore, a volunteer fireman, received a gash in his hand that required seven stitches when he broke a window with his hand to get air after his mask failed to function. Moore was treated by a local doctor.

Mrs. Gertrude Chamberlain, a widow, was making artificial flowers when the paraffin burst into flames. She was able to escape. She lives with her daughter and son-in-law, Esther and Rennie Perkins, who own the home.

The couple were working in Columbiana when the fire started and were called home.

Objects To Fuel Cost Clause

Fears Another Gas Hike After Merger

SALEM CITY COUNCIL Tuesday turned down an alternate gas rate proposal of the Natural Gas Company of West Virginia because the proposal included a clause that could possibly bring about higher gas rates once that company merged with the Ohio Fuel Gas Company.

The clause stated:

"At such time as a merger of the Natural Gas Company of West Virginia and the Ohio Fuel Gas Co. shall be consummated, the aforesaid rate shall be subject to adjustment in accordance with a fuel cost clause authorized by the Public Utilities Commission of Ohio in its order of September 23, 1955."

The rates in the proposal were similar to those included in the firm's offer in September which was rejected by Council members who felt that the average 26 per cent boost was too high.

Firm's Proposed Rates
The gas company's proposed rates are: 25 cents per 100 cubic feet for the first 600 cubic feet per month; 7½ cents per 100 cubic feet for the next 4,400 cubic feet; 7½ cents per 100 cubic feet for the next 95,000 cubic feet; 7 cents per 100 cubic feet for the next 100,000 cubic feet; and 6½ cents per 100 cubic feet for all in excess of 200,000 cubic feet.

A minimum charge of \$1.50 per month was set.

Council members approved the clause in the proposal which stipulated that the rate schedule would be in effect four years and that

Inside Labor

By Victor Riesel

My Israeli driver, red-haired, freckled Herbert Wolfe, drove our jeep, not too long ago, to the edge of a trench marking Jerusalem's border.

We stopped and climbed to the roof of a bullet-pocked building. He pointed. There lay Bethlehem in the sun, as it has for thousands of years.

"It would be swell if we had real peace and you could walk across," Wolfe sighed.

Wolfe, once of Hamburg, Germany, explained how he had fought for peace back in '48. He was an Israeli bombardier.

That meant he flew in the rear seat of a rickety, outmoded airplane and dropped gasoline bombs by hand from the side of the plane. Next time it will be different, he said. We will fight with real weapons and we will win and have peace.

The Israeli forces have won.

Whether they will have peace is another story. But the real story of that victory is not only the fighting of the world's youngest army—but the story of a union that made the army possible.

WITHOUT THIS UNION — Histadrut, the AFL-CIO of Israel—there might not have been an army or a new state.

Its leader, Mordecai Nami, who can out-debate John Lewis and Walter Reuther combined, might resent my calling this militant labor organization the most capitalistic of all unions. But that's what it is.

When world capital wouldn't invest in the blood and sand of the new nation, Histadrut launched a hundred capitalist enterprises: from movies to buslines to long-shore outfits to shipping companies—and hospitals.

When the Israeli Army swung into action, its medical units were really those supplied by the national union. These were mobilized easily because they were always on a war footing.

I recall when I was shown THROU Bollinon Hospital, in Tel

Aviv's suburbs, I was surprised at the structure and the underground rooms. We must prepare for the war they will force on us, I was told, and realized that parts of the building could withstand heavy bombing.

SO WHEN the signal was finally given to Israeli troops to defend themselves, the union's health organization, "Kupat Holim," wheeled its medical units into line, too. In that tiny nation it had 993 clinics and hospitals—some of them built by American unions. The medical corps was ready for heavy casualties. They have the world's most modern equipment.

Their staffs have been accustomed to care for some 70,000 patients a day. The union clinics, labs and hospitals have 8 million individual visits a year. The union pharmacies, serving a nation of 1½ million, fill over 11 million prescriptions yearly. And for the outlying villages and kibbutzim, where Israelis work with gun and plow, Histadrut has mobile health units for fast visits.

But the story of Histadrut in peace is more exciting than in war—for it is the world's most unusual union.

IT OWNS one-third of the industrial plants of the nation—or 724 industrial enterprises—and 500 agricultural settlements. These produce 70 per cent of the nation's food, which Histadrut also markets.

This makes the national labor organization the owner of the largest concentration of capital in Israel. Any business that wants to in the little country can borrow get started, or stay in business, from the union at low rates. This has not only kept old and shabby firms going, but has launched many new ones.

One of the conditions of some of these loans is that businesses must retain their old employees and hire new ones. For this the money is

forthcoming. And thus the unemployment problem is solved.

The union also builds cities. When Herbert Wolfe bounced me into Beersheba, half-way down the grim Negev, not too long ago, I passed what looked like a miniature Radio City Music Hall right there in the desert.

WOLFE GRINNED. That's their cultural center, and there will be spacious parks, shopping centers and streets where there were just a mosque and minaret, he said. And the Israeli union was doing it. Thus it was wherever I went. Chemical plants, machine repair

To Screen News Of Ohio Atom Council

COLUMBUS, Ohio (AP) — Ohio's Advisory Council on Atomic Energy has set up a process for screening news of its activities through the governor and an executive committee.

"No public pronouncement shall be released to the press until approved by the executive committee and submitted to the governor for his review," a council statement said.

The organization, designed to promote development of the economic and social potential of atomic energy, held its first meeting here Tuesday attended by about 80 state officials and representative citizens.

"Reports, excerpts and recommendations are not to be released by any study group or any individual," the policy statement said. "The executive committee has the sole authority to formulate the policies which will guide the study group work. The committee will submit to the governor recommendations approved by the committee."

Dr. Harold Yochum, president of Capital University here, heads the executive committee which will meet quarterly.

Hoover Doesn't Regret His Stand Against War CHICAGO (AP) — Former President Herbert Hoover says he has "no regrets" for a stand he took in 1941 opposing United States involvement in World War II.

Hoover, now 82, spoke Monday night at a dinner in connection with the dedication of a new boys' club for Gen. Robert E. Wood, retired chairman of Sears, Roebuck Co. and president of the Chicago Boys Clubs.

The former President said Wood gave "warm approval" to his speech of June 29, 1941, saying that Britain was "now safe from German invasion due to Hitler's diversion to his attack upon Russia."

"I said the gargantuan jest of all history would be if we should give aid to Stalin in the war," Hoover said. "I said the result would be to spread communism over the world."

"I urged that we stand aside while these two monsters exhausted each other; that if we stood aside the time would come when we could, by our strength, bring lasting peace to the world."

Hoover Doesn't Regret His Stand Against War CHICAGO (AP) — Former President Herbert Hoover says he has "no regrets" for a stand he took in 1941 opposing United States involvement in World War II.

Hoover, now 82, spoke Monday night at a dinner in connection with the dedication of a new boys' club for Gen. Robert E. Wood, retired chairman of Sears, Roebuck Co. and president of the Chicago Boys Clubs.

The former President said Wood gave "warm approval" to his speech of June 29, 1941, saying that Britain was "now safe from German invasion due to Hitler's diversion to his attack upon Russia."

"I said the gargantuan jest of all history would be if we should give aid to Stalin in the war," Hoover said. "I said the result would be to spread communism over the world."

"I urged that we stand aside while these two monsters exhausted each other; that if we stood aside the time would come when we could, by our strength, bring lasting peace to the world."

Senator Probes Phone Strike

Says Public Must Get More Protection

PORTSMOUTH, Ohio (AP)—State Sen. Fred Harter (D-Akron), here to investigate the southern Ohio telephone strike situation, says "something must be done to protect the public."

Seeking first-hand information on effects of the Ohio Consolidated Telephone Co. strike which began last July 15, Harter said Tuesday: "Something must be done to restore service, regardless of who gets hurt."

Portsmouth and surrounding Scioto County have been without telephone service since the company closed its exchanges here Oct. 16 after its facilities were stoned.

Gov. Frank J. Lausche has called a special session of the Legislature for next Monday to consider laws providing for the state to operate a public utility in time of strike.

"It is the innocent public that has been made to suffer by this long labor dispute," said Harter, of the strike by some 600 members of the Communications Workers of America in parts of 24 southern Ohio counties. "The public must be protected and assured that conditions which now exist here can never recur in Ohio."

Meanwhile, in Columbus, the chairman of the state utilities commission Tuesday suggested that the company stop threatening to remove phones of persons who refuse to pay their bills during a strike.

Chairman Robert Moulton's suggestion came at a public hearing on complaints that the company has charged more than it should for service since the strike began.

Orley Bosworth, Circleville photographer, testified that the company threatened to remove his phone within five days for not paying his bill. Bosworth said he had not paid his bill because he thought it was unfair for the service he received.

Moulton queried if he had asked the company for an adjustment on the bill.

"I feel that 4,000 of the Circleville subscribers would feel it useless to go to the (company) office," Bosworth replied.

Moulton turned to company Atty.

Chief Clearwater say:

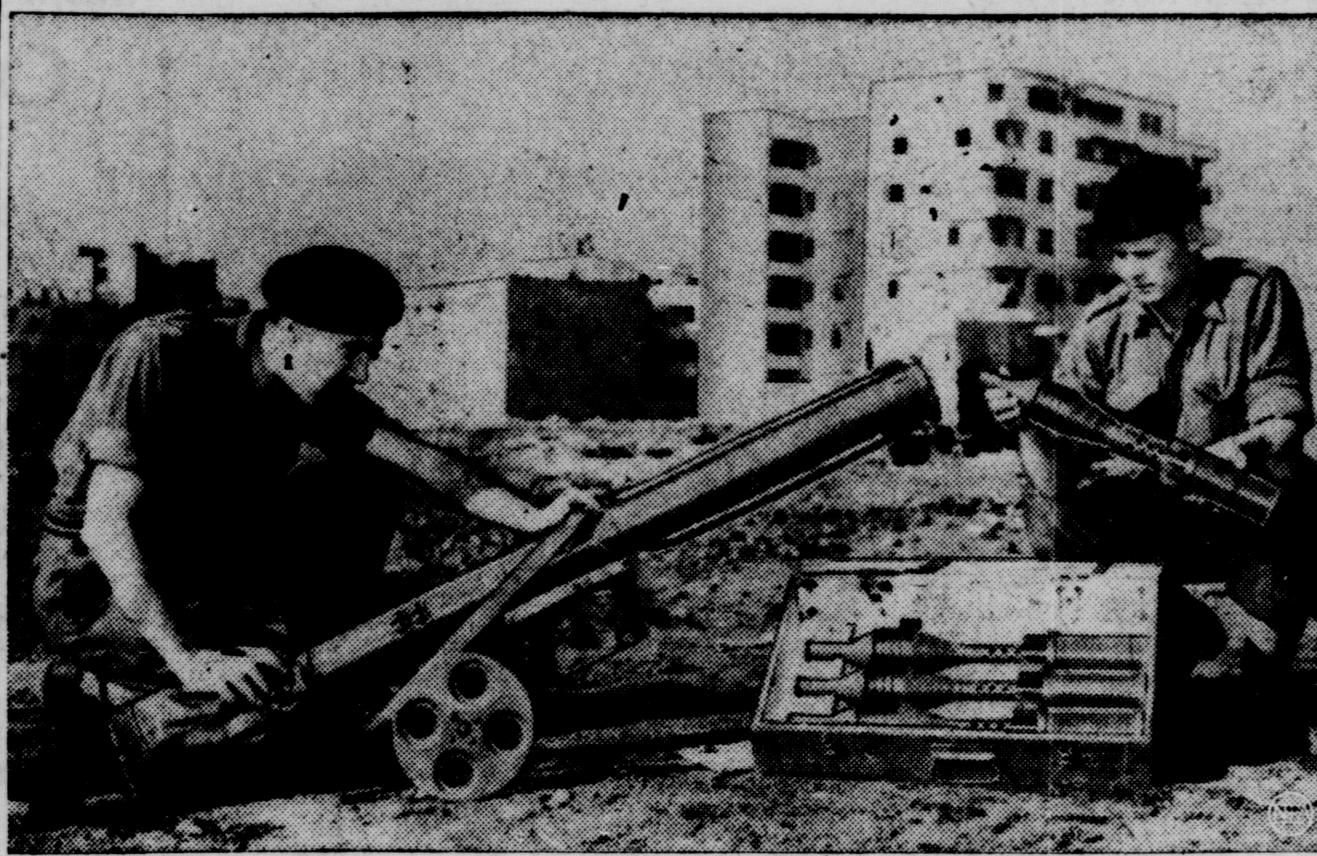

"River water belong in river
... not in beer bottle"

Did you ever wonder why some people buy bottled well water? It's because they can't stand the taste of chemically treated river water. You know what that taste is like.
The water in beer is awfully important, too, so we do not use river water from Fort Pitt. We use water from our own deep wells. In fact, Fort Pitt Special is the only Pittsburgh beer brewed with pure artesian well water. That's one of the big reasons why it tastes better. Try a case today.

FORT PITT—that's it!

PORT PITT BREWING COMPANY - PITTSBURGH, PA.

LONG WAY FROM HOME — Two British soldiers examine a Russian-made rocket launcher and some rockets captured from Egyptian forces in Port Said, Egypt. Official sources in London claimed that Russia had poured more than \$400,000,000 worth of arms into Egypt before the Israeli offensive.

John Robert Jones said: "That's a terrible indictment. If that statement is true, your company's public relations is very bad."

The hearing grew out of the complaint of the Yorkville, Tiltonville and Rayland Board of Trade in Jefferson County against rates during the strike.

Commission Studies Dates For Racing

COLUMBUS, Ohio (AP)—The state racing commission today may get around to approving dates for next year's running and harness tracks, according to the commission's acting secretary, William Cull.

Before considering racing dates, the commission went over six suggested changes in its rules, which regulate Ohio tracks. It was to consider racing dates later, if time permitted.

Dates requested by running tracks are:

Ascot, Akron, April 10-May 30; Thistledown, Cleveland, May 28-July 17; Randall, Cleveland, July 19-Sept. 7; Cranwood, Cleveland, Sept. 9-Oct. 29; Hamilton Butler County, May 4-May 25 and Aug. 12-Sept. 2; River Downs, Cincinnati, May 24-July 15 and Aug. 16-Oct. 5; Fort Miami, Toledo, April 6-May 4 and Oct. 9-Oct. 30; and Beulah Park, Grove City, May 11-June 1 and Sept. 7-Oct. 5.

Dates requested by harness tracks are:

Painesville May 10-June 29, Lebanon May 11-June 8 and Sept. 14-Oct. 5, Hilliards June 11-July 27, Grandview July 1-Aug. 20 and Sportpark, near Bedford, Aug. 23-Oct. 12.

Sportpark, if races are permitted, will be a new track for Ohio. Automobile races have been run there up to now.

MARBLE KILLS CHILD

CLEVELAND (AP)—Eleven-month-old Carol Godfrey swallowed a glass marble Tuesday while playing in the kitchen of her Cleveland home. She was dead on arrival at a doctor's office, police said.

Soviet Intervention In Mid-East Doubtful

WASHINGTON (AP)—The Eisenhower administration appears increasingly confident Russia will avoid sending "volunteers" into the jittery Middle East.

Soviet leaders have come to realize, it is generally believed, that any such decision would probably cause the United States to favor military intervention by the United Nations.

Despite Russia's continuing tough talk, most authorities tend to regard as part of a gigantic war of nerves the Kremlin threat to allow Soviet "volunteers" to intervene on the side of Egypt in the Suez area.

A minority, however, clings to a belief that Russia might fly limited numbers of fighting men into the Arab world if conflict breaks out again.

These officials believe the Kremlin is so committed in its massive propaganda that it could not back down completely.

Turncoat Plans To Return To U. S.

URANIA, La. (AP)—Aaron Wilson, who decided not to come home after his capture in Korea nearly six years ago, now hopes to be back by Christmas.

Mrs. Henry Wilson said yesterday her 24-year-old son had written that he had applied for permission to come back and was being aided by the Chinese Red Cross.

"I will be with you all for Christmas," the onetime corporal with the 7th Infantry Division said in his first letter home in eight months.

Wilson was captured Nov. 28, 1950, near the Changjin Reservoir. He refused repatriation after the war ended.

He gave no reason for coming home. Previous letters indicated he was homesick.

Couple Get Belongings Of Son, Learn He's Safe

BELLEVILLE, Ohio (AP)—A Belleville couple who received some of their son's personal effects in a package from Japan said Tuesday they have been assured by "someone at the Pentagon" that their son is safe.

Mr. and Mrs. Harland Reames said the belongings of their son, Sgt. Clyde H. Reames, were sent to them by a corporal believed to be a member of their son's 3rd Marine Division in Japan.

They appealed to the Defense Department for an explanation and were informed that their son is safe and is writing them a letter. They lost two other sons during World War II.

ANTIBIOTICS SHIPPED

CLEVELAND (AP)—A \$25,000 shipment of antibiotics left Cleveland Tuesday for Austria where the Red Cross will distribute it through the committee for first aid for Hungarians.

Half of the money for the drugs was contributed through the Cleveland chapter of the Committee for Hungarian Liberation. An equal contribution was made by a pharmaceutical manufacturer.

Holy Roman Emperor Charles V, who died in 1558, had 27 pairs of spectacles to match each of his costumes.

Son Finds Mother Slain With An Axe

PITTSBURGH (AP)—A 41-year-old widow of a year, who supported her 8-year-old son by working as a domestic, was bludgeoned to death with an axe Tuesday night. The son, Charles Zubryd, found the body of his mother, Mrs. Helen Zubryd, in the basement of their home about 20 miles northwest of Pittsburgh. He had just returned from a brief visit to a neighbor's home.

Homicide Detective Ted Botula said Mrs. Zubryd apparently resisted the slayer. An autopsy was ordered to determine if she had been criminally assaulted.

Shortly after the slaying, Elmer Skiles, a 63-year-old neighbor, died of a heart attack while guiding newsmen to the slaying scene.

Segregationist Free Of Rioting Charges

CLINTON, Tenn. (AP)—Segregationist John Kasper has been freed of charges growing out of rioting over racial integration of Clinton High School.

Kasper, 27-year-old executive secretary of the Seaboard White Citizens Council at Washington, D.C., broke into a broad smile when the jury announced the verdict Tuesday. The all-male jury deliberated 45 minutes.

Kasper had been charged by the state with sedition and inciting to riot because of his activities against the admission of 12 Negroes to Clinton High School under a federal court order Aug. 27.

He had pleaded innocent, and denied the charges. Had he been convicted, the top sentence would have been a year in jail and a \$1,000 fine.

Sixty-eight witnesses — 58 of them for the defense — paraded to the witness stand during the six-day trial.

NILES STRIKE ENDS

WARREN, Ohio (AP)—Some 200 workers who struck the National Gypsum Co. in nearby Niles Sunday return to their jobs today.

Members of the United Steelworkers Union, they voted Tuesday to end the walkout. A company spokesman said the dispute was over an employee's refusal to perform his assigned work.

Denies Lyons Threatened With Death

CINCINNATI (AP)—The assistant Hamilton County prosecutor denied Tuesday that Robert V. Lyons was threatened with the possibility of electrocution before he signed a disputed murder confession.

The prosecutor, Donald Roney, was a rebuttal witness in Lyons' first degree murder trial in the knife slaying of Mrs. Audrey Evers Pugh.

He said, "You just don't tell suspects (in murder cases) that they might fry."

Roney also denied he put words in Lyons' mouth before the statement was made.

He said, "I urged him to tell the truth, that that is always the wise thing to do. That a man should first be honest with himself and then he can live in peace with himself."

Lyons, 43, former city water meter reader, is accused of stabbing Mrs. Pugh last April 11 after she reprimanded him for knocking at the wrong door of her home in exclusive Hyde Park.

Police said he admitted the killing in a statement. But later he disavowed the statement and said he is innocent.

Two other rebuttal witnesses, both women who live near the Pugh home, testified Tuesday that they believe no meter reader checked homes on their street up to 12:30 p.m. on the day of the murder.

The defense contends that Lyons completed his check at the Pugh home about noon—an hour before the prosecution says Mrs. Pugh was stabbed.

Mrs. Clarence Ackerman said she was sure no meter man had appeared at her home up to 12:30, when she met Mrs. Ada Ramey who lives next to the Pugh home.

She conceded under defense questioning that she could have missed the meterman's knock while drawing bathwater.

The defense completed presentation of its case Tuesday after the defendant was cross-examined for two hours on the stand.

Lyons held to his story that he did not kill Mrs. Pugh and that threats and promises preceded his signing the confession statement.

SEEK TO MOVE TRANSMITTER
WASHINGTON (AP)—Television station WSTV, Steubenville, Ohio, is seeking authority to move its transmitter to near Pittsburgh, the Federal Communications Com-

mission said Tuesday. The main studio will remain in Steubenville, the FCC said.

The proposed tower site is about a quarter-mile from Pittsburgh station WENS' transmitter in Allegheny County, Pa.

A year ago, Columbia Broad-

casting System applied for FCC's authorization to buy WSTV and move it into the Pittsburgh area. The applications were withdrawn.

Council Passes Ordinance For Planning Commission

COLUMBIANA — Columbiana Village Council passed on third reading last night an ordinance to exert pressure on the commission, which will enable the village to exert pressure on the commissioners to have Columbiana County join Mahoning and Trumbull counties in regional planning.

There was one dissenting vote to five in favor of the ordinance. Herbert Souder, while not opposed to town planning, wanted a specific financial setup.

The ordinance provides, however, that the commission may not spend more than \$500 without approval of council, which has power to abolish it at any time.

The commission will consist of the mayor as chairman, one member of council to be elected by council, and three citizens to be appointed by the mayor with the approval of council.

SAMUEL H. Pollock of Steubenville, governor of the 230th district of Rotary International, paid his official visit to the Columbiana club at Valley Golf Monday evening.

Governor Pollock, in his address, compared the Rotary tree of friendship with five branches of an oak, which he termed cooperation, integrity, mature-mindedness, largeness of heart, and an abiding faith that right will prevail.

At an after-meeting of club officers and committee chairmen, he

commented on committee reports and called attention to district activities in the next few months, which will include a district assembly of officers and committee chairmen in Columbiana, April 8 a school of instruction for those newly elected. A district assembly is scheduled for Steubenville, March 30 - April 1, to precede the Columbiana meeting.

President D. W. Bailey announced that John Heintzelman, Sr., will be chairman of the annual "march of dimes," sponsored in Columbiana by the Rotary Club, and Jack Weyman of the Easter seal sale.

Visiting Rotarians were Edward Tanner of Canfield, Charles Bradshaw of Boardman and Aldon Gross of Salem. Ned Sittler of York, Pa., was a guest of Earl Corey. Raymond Smith, program chairman for next Monday evening, will present Major Bose, a chaplain in the army of India, who with his wife is in this country making a study of cattle with a view of improving the breeds in India. He is assembling a herd to take back to India. They are staying at the Donald Rupert farm, near New Waterford.

Dr. Fred Miller of First Presbyterian Church, Youngstown, was the speaker for a Thanksgiving program of the Kiwanis Club at Heck's restaurant Monday evening. He was introduced by Warren Miller, chairman of the committee on support of churches, which arranged the program. Club President John Backstrom will have charge of the program next Monday evening.

COLUMBIANA Auxiliary of Salem hospitals, at its December meeting Monday in the Methodist church, made its annual contribution to the Hannah Mullins Nursing Home in Salem, the amount this year having been \$325, and elected officers for installation at the Christmas party at the same place, Monday, Dec. 17. New officers will be: Mrs. Frank

Griffin, president; Mrs. Paul Cline, vice president; Mrs. Harry Miller, secretary; Mrs. Leah Hitchcock, assistant secretary; Mrs. Thomas Dodds, treasurer.

The Christmas party will be a coverdinner at noon in charge of the hospitality committee, Mrs. John Coyle, Mrs. G. W. Wadell, Mrs. Don Geiger and Mrs. Clarence Shontz. The kitchen committee will be Mrs. Byron Snyder, Mrs. Curtis Bierly and Mrs. Grover Fry. Meat, rolls and coffee will be provided.

At its meeting Monday, the auxiliary made five dozen 36-inch surgical wrappers.

A grade of excellent was given Pandora Rebekah Lodge of Columbiana after its inspection Monday evening by Mrs. Phyllis Schaeffer of Louisville, district representative of the neighboring 25th Ohio district, Pandora Lodge being in the 28th district. Corsages and gifts were presented Mrs. Schaeffer and Mrs. Bertha Myers of Pandora Lodge, representative of the 28th district. Guests were present from Alliance, Salem, Leetonia, Canfield and East Palestine. Lunch was served.

Dr. J. R. Moorehead was the speaker at the November meeting of the Columbiana Mothers Club at the home of Mrs. Miriam Hutson, 230 Allen Ave., Monday. At the conclusion of his talk on "Your Child's Health," Dr. Moorehead answered questions. Mrs. Jack Weyman was co-hostess. The next meeting will be the annual Christmas party for the children, which will be held in the Presbyterian church at 6 p.m. Monday, Dec. 17.

William Knuth, former manager of Firestone Farms, now supervisor of farms of Pennsylvania penal institutions, has recently moved from Bellefonte to Harrisburg.

After today, Columbiana schools will have a Thanksgiving recess from classes until next Monday.

'Bugs' Moran To Go On Trial For Bank Burglary

DAYTON, Ohio (AP) — George (Bugs) Moran, 64, Chicago underworld leader of the 1920s, is scheduled to go on trial in federal court here Jan. 8 on charges of burglarizing the Citizens State Bank of Ansonia in 1945.

Al Fouts, 66, of Dayton, and Virgil (Doc) Summers, 43, of Chicago, will be tried on the same charges. All three have entered innocent pleas.

Moran and Summers were paroled from Ohio State Penitentiary Nov. 8 and are being held in Montgomery County jail here in lieu of \$25,000 bond each. Fouts was released from the Penitentiary Sept. 21.

Policemen Almost Aid Burglar To Escape

LIBERTY, Mo. (AP) — James A. Denoff, 35, of Lebanon, Ohio, Tuesday asked two policemen to give him a push to start his stalled car. They did and he drove off. Sometime later the two officers received a report on a store burglary near where they helped the motorist.

They caught up with Denoff at nearby Cameron. They said he admitted the store burglary and also that the car he was driving was stolen in Lima, Ohio.

FORFEIT BOND IN LISBON

LISBON — Two motorists forfeited bonds in Mayor Wilbur Warren's court Tuesday when they failed to appear for hearings on traffic charges.

Elwood H. Leigh of Cleveland and Donald Tekavec of Jefferson, Pa., each forfeited a \$15 bond for improper passing on N. Market St.

Both masts on the U.S.S. Saratoga are hinged so that it can pass beneath the Brooklyn Bridge.

Rib Roasts, Beef Featured In Groceries

By The Associated Press

Housewives whose families are tired of eating turkey will find rib roasts and other cuts of beef featured in many of the nation's grocery stores this weekend.

Also featured are pork roasts and pork chops, which are 4 to 10 cents cheaper this week in some sections. Ribs of beef are quoted as much as 6 cents cheaper.

Some stores will feature turkey again this weekend. Apparently this is on the theory that people will buy turkey any time—even right after the Thanksgiving Day feast—if it is cheap enough, and turkeys are less expensive just now.

Federal market experts, inci-

dentally, credit the lower price of turkeys with bringing about the lowest costs in five years for Thanksgiving dinners. A typical family of four paid \$6.20 for the big meal, \$1.48 less than last Thanksgiving and away below the \$8.63 meal when the figures first were compiled in 1951.

Cranberries, apples and oranges are down from 1955, too, federal men say, while canned pumpkin, sweet potatoes, walnuts and celery are about the same and green beans are higher.

Sweet potatoes, like some other vegetables, very often are higher around holidays, and such is the case this year.

Miss Joyce Hazen Becomes Bride of Robert Powell

Miss Joyce Hazen became the bride of Robert Dale Powell in a single ring ceremony performed Saturday afternoon in the First Friends Church.

Rev. Harold B. Winn officiated at the wedding which united in marriage the daughter of Mr. and Mrs. Willard Hazen of 584 E. 8th St. and the son of Mr. and Mrs. Robert B. Powell of East Rochester.

Twin baskets of white chrysanthemums, grape ivy and schefflera foliage graced the altar as Mr. Hazen gave his daughter in marriage.

Mrs. Harry Marshall of Salem, organist, presented "I Love You Truly" and "Because."

The bride appeared in a street-length winter white brocaded satin creation fashioned with princess lines. She wore a white veiled hat and carried a colonial bouquet of white chrysanthemums.

Mrs. Roger Baker of RD 2, Salem was matron of honor and wore a street length dress of aqua faille. Yellow chrysanthemums formed her colonial bouquet.

Roger Baker of RD 2, Salem was best man and Richard Odum and Kenneth Mounts of RD 2, Salem were ushers.

Mrs. Hazen and Mrs. Powell wore gray dresses with matching accessories and corsages of bronze chrysanthemums.

A reception for 65 guests was held at the bride's home. A miniature bride couple topped the three-tiered wedding cake. Mrs. John Eddy and Mrs. Matt Liebhart of Salem and Mrs. William Casto of New Castle, Pa., aunt of the bride, served.

The bride's sister, Darlene Hazen, registered the guests from Allentown, Pa., Salem and New Castle, Pa.

Mrs. Powell attended Salem High School. A graduate of Salem High School, Mr. Powell is employed by Save Way Sales.

The couple are residing at 1344 N. Ellsworth Ave.

Kaffee Kuchen Tempts Listless Breakfasters

Kaffee kuchen is a perfect companion to hot chocolate or hot coffee on cold winter mornings. A cleverly designed inspiration is this lattice-topped cake of chewy goodness and colorful jams.

To prepare the coffee cake, use 1 package or 1 cake compressed or dry yeast, 1/4 cup lukewarm water, 1/2 cup scalded milk, 1/4 cup sugar, 3/4 teaspoon salt, 1/4 cup shortening, 2 1/2 to 3 cups sifted enriched flour, 1 egg, beaten, 1/2 cup raisins, 1 cup rolled oats (quick or old fashioned, uncooked).

Filling: Cherry preserves; peach preserves.

Softened yeast in lukewarm water. (Use warm water for dry yeast.) Pour scalded milk over sugar, salt and shortening; stir occasionally until shortening melts.

Cook to lukewarm. Stir in 1 cup of flour and beaten egg. Add softened yeast, raisins and oats. Add enough flour to make a soft dough. Turn out on lightly floured board or canvas and knead until satiny, about 10 minutes. Round dough into ball; place in greased bowl and brush lightly with melted shortening. Cover and let rise in a warm place until double in size, about 1 hour.

Punch dough down; turn out on lightly floured board or canvas. Cover and let rest 10 minutes. Divide dough into 2 parts; round each part into a ball. Roll one part into an oval 13 1/2 x 8 inches. Place on greased cookie sheet.

Roll remaining dough into 1 long rope and 6 shorter ropes. Place lattice top with the other 6. Brush lightly with melted shortening; cover and let rise until double in size, about 30 minutes.

Bake in moderate oven (350 degrees F.) about 40 minutes. Brush glaze with confectioners' sugar glaze; fill shares with cherry and peach preserves.

Flower Arrangers To Exhibit Here

110,000 To Witness Opening Of Olympic Games Today

4,000 Athletes Set To Compete

Dissension which Had Plagued Games Ends

By TED SMITH

MELBOURNE (AP)—The Duke of Edinburgh opens the 16th Olympic Games Thursday before a sellout 110,000 and there was hope Melbourne's nasty spring weather would turn to warm sunshine.

The dissension that has plagued the games from the start seems to have melted away amid final preparations for the stately ceremony.

More than 4,000 athletes from 68 nations will compete in 16 sports between now and Dec. 8. Major honors are expected to go to the United States and Russia, with Australia and Hungary vying for third place in the unofficial point standings.

For the past seven years, the Melbourne games have been the center of controversy. At the start they were a political football and preparations went so slowly Avery Brundage International Olympic Committee president, threatened to move the games to another country. Then, in recent weeks, the troubled situation in the Middle East and Hungary brought the withdrawal of seven nations.

But to the throngs on the gaily decorated streets of Melbourne all this was forgotten today.

The ceremonies, which follow rigid protocol, begin at 3 p.m. Australian time, Thursday when the Duke of Edinburgh enters the great oval of the Melbourne Cricket Club and service bands play the national anthem.

Then comes the march of athletes in their uniforms of many colors — with team officials, a total of 5,000 men and women.

As thousands of pigeons are released, the duke reads the simple words that start this great sports festival:

"I declare open the Olympic Games of Melbourne celebrating the 16th Olympiad of the modern era."

Then comes the dramatic arrival of the Olympic torch that was kindled in Greece and brought by plane to Australia. From Darwin to Melbourne it was carried by 2,300 athletes, each running one mile.

There will be a brief dedication address by the Archbishop of Melbourne and recitation of the Olympic oath, then, after the national anthem, the athletes march out. Actual competition begins at 8 p.m. when Korea meets Nationalist China in basketball. Russia plays Canada in the second game of the evening.

Full-scale competition starts Friday in track and field, fencing, the modern pentathlon, rowing, field hockey, soccer, weightlifting, and boxing.

Atwater Defeats Fairfield 65-54

Atwater's and Fairfield's cage squads opened their seasons last night at Atwater, with Fairfield losing 54 to 65.

In the first period the score was tied six times. But in the second quarter, Atwater took command and led throughout the remainder of the game.

Chuck Jones and Bill Hackney were high scorers for the winners with 20 and 17 points, respectively. For the losers, Paul Esenwein and Howdy Cope were high scorers, with 10 and 18 points, respectively.

'Didn't Feel Like Playing' Last Sunday

Lamar McHan Suspended, Fined \$3,000 By Cards

CHICAGO (AP)—Lamar McHan, the Chicago Cardinals' 23-year-old quarterback who was suspended and fined \$3,000 for saying he "didn't feel like playing" last Sunday, wants another chance.

McHan Tuesday was suspended for the season and assessed the highest fine in National Football League history. The move followed McHan's refusal to work out with the team Tuesday.

The action resulted from last Sunday's National Football League game against the Pittsburgh Steelers, which the Cardinals lost, 14-7.

In announcing the fine and suspension, managing director Walter Wolfner said "he (McHan) couldn't play for us again even if there weren't anybody else left."

Wolfner, however, changed his

stand after McHan consulted with head coach Ray Richards who returned to Chicago Tuesday after being in a Pittsburgh hospital with a gall bladder ailment.

"We have decided that the suspension will be lifted or maintained at the discretion of the (coaching) staff," Richards said. "McHan will continue to work out with the club and if he merits the opportunity to be reinstated, he will be. He is going to try to improve himself. The fine will stick, but if he does an about face, it will be lifted in part at least."

McHan, who broke down in tears during an interview following the incident, wouldn't deny that he said he didn't feel like playing.

"The whole thing is a result of last Sunday's ball game," said

McHan. "I know all about the fine but I'm not going to say how much it is, that's up to the team. All I know is I want to stay in this league and I want to be with the Cardinals."

McHan was drafted in 1954 after a brilliant career at Arkansas.

A reliable source said McHan refused plays that were sent into the game Sunday; that he had gone against instructions from the bench before; and that at one stage of the game Sunday he refused to return to the field and only menacing gestures from teammates on the sidelines forced him in.

The Cardinals are still in the thick of the Eastern Division race although they have lost three of their last four games. They are in second place with a 5-3 record.

Michigan Furious At OSU, Has Bagfull Of Tricks Ready

By JERRY GREEN

ANN ARBOR, Mich. (AP)—Michigan is furious at Ohio State and is conjuring up a bagfull of tricks to befuddle the Buckeyes this weekend.

Revenge is the Michigan motive. Latest in a long list of Buckeye moves that slapped at Michigan was the loss to Rose-Bowl-bound Iowa. Wolverine partisans, perhaps for the first time in history, were rooting for Ohio. They feel the Buckeyes' downfall, plus the defeat of Michigan State by Minnesota, cost them a trip of their own to Pasadena.

Irish To Go All Out To Upset Hawkeyes

By JOE MOOSHL

CHICAGO (AP)—If ever a team was ripe for an upset, it's Iowa. And if ever a team wanted to pull off an upset, it's Notre Dame. The Hawkeyes have won at least a share of the Big Ten football title and appear certain to represent the conference in the Rose Bowl.

Notre Dame already has posted the worst record in its proud football history. But a triumph over the Big Ten champion "could save the season."

The two teams clash at Iowa City Saturday and both coaches are aware of the psychological factors at work.

Iowa coach Forest Evashevski, who Tuesday was voted "Midwest Coach of the Year" by the Chicago football writers, told the group over a telephone amplifier system "I hope our kids don't figure the season is over."

The Hawks last Saturday clinched a share of the title and the Rose Bowl bid by whipping Ohio State, 6-0. It was the second successive week Iowa had to beat a favorite. The previous Saturday Iowa dumped Minnesota 7-0.

Notre Dame has a 2-6 record. The worst previous season in Irish history was in 1933 when Notre Dame suffered five losses. Iowa is a 13-point favorite.

Irish coach Terry Brennan told the writers Iowa "looks too big and too strong on defense" for us.

"Naturally we're hoping for a psychological advantage," said Brennan, "but we're not sound."

Notre Dame's biggest problem is under the thumbs of backfield star Paul Hornung. Hornung, who leads the Irish in every department, has been nursing an injured thumb most of the season. Last week, he dislocated his right thumb.

Ike Chestnut Favored Over Irish Tommy Bain

HOLLYWOOD (AP)—Fourth-ranking Ike Chestnut of New York rules a 10-7 choice over Los Angeles' Irish Tommy Bain in their nationally televised 10-round featherweight scrap tonight at the Legion Stadium.

Most local experts give Irish Tommy, with 17 knockouts, the edge in hitting power but rate Chestnut superior in boxing ability.

Don Newcombe 'Most Valuable' Edges Sal Maglie In Close Voting

By JOE REICHLER

NEW YORK (AP)—Pitcher Don Newcombe, whose 27 victories made him the biggest Brooklyn winner in 32 years, was voted today the Most Valuable Player in the National League for 1956 by the Baseball Writers Assn.

The big right-hander edged out his mound mate Sal Maglie by a scant 40 points. Seven players received first-place nominations by 24 voting writers. Five accumulated more than 100 points.

Not since Hank Sauer nosed out Robin Roberts and Joe Black in a three-way battle for the 1952 award has there been such a close race.

The 30-year-old Newcombe, who lost only seven games all season and but two of his last 20 decisions, topped the list with 223 points. His superb World Series performance — he was knocked out of the box in both starts — did not figure in the balloting.

Maglie, who won 13 games including a no-hitter while losing only five after joining the Dodgers in mid-May, was second with 183 points. Then came Milwaukee's Hank Aaron, 146, and Warren Spahn. Junior Gilliam, another Dodger, rounded out the first five with 103 points.

In all, 32 players received recognition, 11 of them pitchers. Eight Dodgers were named, but Roy Campanella, who got his third MVP award last year, wasn't among them.

Only one rookie was honored in the voting. He is Frank Robinson the Redlegs' slugging left fielder, who placed seventh with 79 points. Pee Wee Reese of the Dodgers was eighth; Stan Musial, the St. Louis Cardinals' all-time great, was ninth; and Duke Snider, also Brooklyn, was tenth.

Roy McMillan, Cincinnati shortstop, was sixth with 96 points.

Newcombe, who weighs 230 pounds 6-4, enjoyed by far his greatest season. In registering his 20-game season, he racked up the most victories by a Dodger pitcher since Dazzy Vance won 28 in 1924. Don started 36 games and completed 18. He turned in five shutouts and finished fifth in earned runs with a 3.09 mark. His only two defeats after June 17 were a 1-0 loss to Johnny Antonelli and the Giants and a setback to Robin Roberts and the Phillies when Sandy Amoros dropped a fly ball.

Iowa Tackle Named Lineman Of Week

By TED MEIER

By The Associated Press

Big Alex Karras, Iowa tackle, was named Associated Press Lineman of the Week today for his superb play against Ohio State that helped put the Hawkeyes in the Rose Bowl.

The performance of the Gary, Ind. youth in Iowa's 6-0 triumph over the Buckeyes was "outstanding" according to his coach, Forest Evashevski. Alex was shifted to play head on with the OSU center.

"This made him doubly effective," Evashevski said. "He could penetrate from that position and take both sides of the line. He has exceptional quickness for a 230-pounder."

Big Alex played 58 minutes against Ohio State. He led the blocking on Iowa's third period scoring drive when he cleared the way for a first down on the OSU 36. Probably his most spectacular play came on the last play of the game. He broke through and smeared OSU's Jim Roseboro for a nine-yard loss on the Buckeye three.

Jerry Kramer and Dick Foster, Idaho guard and tackle, respectively, came in for high praise in the weekly voting by sportswriters and broadcasters. Their play was terrific as Idaho almost upset Oregon State.

Others who were given high praise included Don Stephenson, Georgia Tech center; Jerry Tubbs, Oklahoma center and Brad Bomba, Indiana end.

Greenford Edges Berlin Center 60-55

Greenford's basketball team defeated Berlin Center 60-55 in the season's opener for both schools last night at Berlin Center.

Greenford moved out in front from the start and stayed off a last half rally by Berlin Center to win.

Jerry Hendricks was high scorer of the night for the winners with 24 points, and Jim Coman was high scorer for the losers with 14 markers.

Lions, Packers Set For Clash Thursday

DETROIT, Mich. (AP)—Detroit's revitalized Lions, cured of the basement blues by seven National Football League triumphs, and a stumbling Green Bay Packers collide Thursday in their annual Thanksgiving Day football meeting.

The nationally televised mid-day struggle finds the Lions, western division cellar-dweller a year ago with a 3-9 record, going for victory No. 8 against a single loss. The Packers are on a four-game losing binge and have won only twice against six setbacks.

The Turkey Day classic, a fixture on the Lions' schedule since the team first was organized in Detroit in 1934, is a vital one to the resurgent Detroiters. The Lions will have only three NFL clashes remaining, two of them with the Chicago Bears, co-leaders with Detroit in the division.

OUT OF DOORS with Field & Stream

By R. L. LIDE

Here is my official score sheet, taken by direct contact with hunters after the small game season officially opened at 9 a.m. last Thursday.

Hunters contacted 69. Total hours hunted 181½. Rabbits seen 112. Pheasants seen 105. Quail seen 220. Rabbits killed 28. Pheasants killed 21.

I would say that hunting was excellent because many of the bag checks were taken after the hunters had been in the field for only a few minutes.

I have no way of knowing what was taken after the day's hunt was over. Making a bag check and hiking out in the fields to contact the hunters is time-consuming. Very few were checked at the roadside.

Paul Scullion and his wife of Franklin Road bagged three pheasants by 10:30 a.m. They were hunting with a German short-haired pointer. Just goes to show how valuable a good hunting dog is. In the meantime their beagles were still in their cage as they were going after rabbits as soon as they finished the bird hunt.

QUAIL ARE ON the protected list. That goes for doves, also. In my book they are definitely game birds but the law says "no" and "no" it shall be.

Many landowners consider these birds as a source of bug control. But to get at the facts I would not trade a downy woodpecker or a chick-a-dee for all the good quail and doves do eating bugs.

Corn is the preferred diet of quail and doves and quail can down a whole grain of corn with almost the speed of hungry chickens. Woodpeckers and chick-a-dees are constantly searching every little crack and crevice for grubs in the embryo and thereby destroying many pests that would hatch in the spring.

Hunters in all our neighboring states shoot quail and doves yet they have no bigger problem in pest control than we have. We raise the doves and southern hunters in particular get the good eating. The above is my personal opinion.

MANY HUNTERS bagged both red and grey foxes. I received numerous telephone calls wanting to know where to take the feet to collect the \$3 dollar bounty. The answer is: take them to the sheriff's office at the Court House in Lisbon within 48 hours after taking.

He would like to have the bucks killed in particular and welcomes the bow and arrow hunters. If they can't get rid of them then gunners will be welcome when the gunning season opens Dec. 12.

Ohio State Favored Over Michigan

By CHARLES CHAMBERLAIN
CHICAGO (AP)—The Ol' Swami, who called Iowa's cleanup victory over Ohio State, takes a final fling with a record so far of 45-12 for 1789.

Ohio State 14, Michigan 7 — Those Buckeyes will have to get up off the ground and do more passing to come out alive in this traditional breather. The game is on their home grounds at Columbus, and victory would make the Bucks co-champions with Iowa.

Iowa 20, Notre Dame 14—Forest Evashevski is afraid of a let down, and well might be after that rugged Big Ten stretch battle. It's a good spot for the Irish to win their second in a row. But the Rose-bowl bound Hawkeyes are likely to get up just enough to win another one for their home fans and add a little to their prestige as they bow out of the regular season.

Northwestern 14, Illinois 13—Another toughie. The Wildcats are in good shape physically and mentally after taking two Big Ten games in succession. The Illini have injury troubles, and usually have to battle a jinx at Evanston. Three straight Big Ten victories would be Northwestern's best since its 1948 Rose Bowl team.

Purdue 21, Indiana 13 — Tea leaves in the bottom of the Old Oaken Bucket say the Boilermakers are overdue for their first Big Ten victory of the campaign. But those Hoosiers also are hungry.

Minnesota 20, Wisconsin 7 — The Gophers, their Rose Bowl hopes smashed, still have a chance to take runner-up spot in the Big Ten chase. Victory over the Badgers and an Ohio State defeat would do it. With this hope they should have enough fire left to win.

Michigan State 27, Kansas State 6 — Clean off the bench for this finale.

Dec. 1 — Southern California 21, Notre Dame 13 — The Irish's gloomiest season finally ends.

Rose Bowl — Iowa 21, Oregon State 14 — The Hawkeyes, and a little better, in this rematch. They barely edged the Beavers 14-13 earlier this season at Iowa City.

Lynn Waldorf Quits As California Coach

By ROBERT MYERS
BERKELEY, Calif. (AP)—Lynn O. (Pappy) Waldorf, dean of Pacific Coast Conference football coaches, announced his resignation to his California squad Tuesday night, emphasizing "it was my own idea."

The 54-year-old Waldorf, head man at California since 1947, said there was "no pressure on me to quit and this was merely the step I've contemplated for quite a while."

Waldorf, whose three-year contract expires July 1, has been under fire by alumni groups two years. His salary has been estimated at \$15,000 a year.

Pappy, one of the best known figures in football during 29 years of coaching at five colleges, told The Associated Press:

"I have seven months to make up my mind what I want to do. Maybe I'll stay in coaching, maybe I'll do something else. I just don't know."

Waldorf piloted the Golden Bears to 66 victories, 32 defeats and 4 ties in 10 years. He took California to the Rose Bowl in 1949, 1950 and 1951, losing all three times.

This year, the Bears have lost seven games while winning two. Before coming to California, Waldorf was head coach at Northwestern University from 1935-46 where he developed pro great Ott Graham.

Refugees

dar's Soviet installed regime, which told of the deportations Nov. 13, has maintained in recent days that no Hungarian citizens were shipped out of the country by the Red army.

Soviet and Hungarian representatives at the United Nations also deny the deportations, while the United States says it knows of at least 16,000 persons shipped from Hungary to the East.

Today Budapest radio announced that all Hungarian citizens arrested by Russian troops during Hungary's anti-Communist revolt will be turned over to Hungarian public. It did not say how many persons were held by the Russians.

The broadcast was regarded here as another attempt of the Kadar government to quiet the Hungarian public, infuriated by the mass deportations to the Soviet Union.

Police in Austria's border of Province of Burgenland said that the flow of refugees is threatening to get out of hand. Of nearly 50,000 who have crossed the frontier since Oct. 30, only about 8,000 have been moved out of Austria.

and they have paid for their tuition.

Weingart then read the minutes of the Columbiana County Board meeting when the board asked West Local to unite with Knox Township and West board refused to do anything and he said that West is in this predicament because of their lack of interest in making a good district. He said there was no reason why they couldn't be as good a school as United is now if they had worked with Knox for it. Knox is now in the Mahoning county district.

Mrs. Marilyn Solak then introduced Michael Farnon, a graduate of Western Reserve University, and a teacher in the county system, who gave his reasons why the board should adopt the Silver Burdett series in music study.

The board then voted to recommend the Silver Burdett series be used in the county system.

Mrs. Solak introduced Mary Jane Stansel, a commercial teacher in Beaver Local High School, who gave her version of the audio-visual workshop held last month at United school.

A meeting will be called to discuss the next year's budget.

About 35 visitors attended last night's meeting while the county board held an executive meeting in Warren Bettis' office.

No One Is Injured In Lisbon Collision

LISBON — A two-car accident at 4:15 p.m. Tuesday caused damages estimated at \$450 to both vehicles and the arrest of one driver.

Rhoda Hill of RD 5, Lisbon was pulling out of S. Park Ave., onto E. Lincoln Way and was struck by car driven by William E. Garwood of Rogers, according to police reports.

Rhoda Hill advised officers that a large truck was going east on Lincoln Way and she didn't see Garwood's car which was coming west. Garwood's car was damaged to left front and side and the Hill car had the right side damaged.

Rhoda Hill was cited to appear in Mayor Wilbur Warren's court Friday on a charge of reckless driving.

REPORTS CAR MISHAP

Police reported today a car driven by Mrs. James Penrod of 409 S. Union Ave. backed out of a driveway on S. Union Ave. Tuesday at 6:51 p.m. and struck a parked car operated by Mrs. William Sheen of 1450 Southeast Blvd. Minor damage was caused to each car.

HEAR RESERVE OFFICER

"Power for Peace" was the subject of a talk by Major Stanley Stan of Youngstown, head of the district Army Reserves, before members of the Rotary Club Tuesday noon in the Memorial Building. Dr. Maurice Sandrock introduced the speaker.

CRASH CLAIMS 2ND LIFE

WARREN, Ohio (AP)—A motorcycle - automobile collision which occurred last Sunday claimed its second life Tuesday night when Gerald Jagers, 22, died in St. Joseph's Hospital.

His wife, Lois, 19, was killed when Jagers' motorcycle crashed into the rear of a car on old Route 5, just west of the Portage-Trumbull County line.

More than 500 million pounds of prepared frozen foods were produced in the United States in 1955 — a gain of 67 per cent over 1954.

Gas Rate

no new rate negotiations could be opened within that period.

Rates Could Be Increased

They objected to the fuel cost clause because they felt that under that provision, rates here could be increased again if the price of wholesale gas goes up.

Upon a motion of Councilman Rudy Linder, council voted 5-2 in favor of the new schedule provided the fuel cost clause be deleted.

Bruce Cox, district manager of the gas firm, then phoned W. D. Betsch, vice president of the company, regarding Council's proposal. Betsch replied that the firm would accept the deletion of the fuel cost clause provided the contract ran for only two years, as stipulated in the firm's September proposal.

Council took no action on the matter.

The city plans to erect two 50-foot Christmas trees during the Yuletide season. One will be placed in front of City Hall, but the site of the other has not been decided.

A petition submitted by Ralph Bodendorfer of 240 W. 9th St., and Joseph Corso of 231 W. 10th St. was referred to the Planning Committee for consideration. The petition asked that the city vacate Howard Ave. which runs north from W. 9th St. for a distance of 148 feet, since, although it is graded, there are no apparent plans for improving the extension.

Ordinances passed by Council called for the transfer of: \$625 from the general fund to the police department school bus patrol fund; transfer of \$3,220 from the general fund to the street lighting maintenance and supply fund; transfer of \$391.73 from the American La France firetruck repair fund, \$200 from the fire alarm fund, and \$503.27 from the general fund to the fire chief station wagon fund; and transfer of \$200 from the general fund to the health department incidental fund.

The governments of Britain, France and Israel have denied previous Egyptian charges of atrocity.

Other Arab moves against Britain and France were reported from Syria and Jordan.

In Damascus, the Syrian government announced the cancellation of all contracts with British and French companies and barred the piping of oil through Syria for Western Europe.

The move appeared to be the first step in breaking off economic relations with Britain and France. Syria severed diplomatic relations with the two Western powers two weeks ago.

Jail Inmates To Get Good Holiday Dinner

The cells at the city jail are empty now, but if any persons are lodged in the jail tomorrow, they will get a substantial Thanksgiving dinner from a local restaurant, Police Chief George Early promises.

The jail cells here are unoccupied for the first time in many years at this season.

Turkeys will be roasted for the 22 inmates now in residence at the Columbiana County Jail in Lisbon. "All the trimmings" also will be provided.

Vic Janowicz Can't Play Football Again

COLUMBUS, Ohio (AP)—Vic Janowicz, one of Ohio State University's all-time football greats, has reached the end of the gridiron glory trail.

He has been advised by his physicians that he must never participate in any contact sport again.

Janowicz, 1950 All-America half-back and later a professional star with the Washington Redskins, suffered a grain injury several months ago in a California automobile accident.

He will recover sufficiently within the next year to lead a normal life, Dr. Robert Murphy of Columbus predicted today, but his football days are over.

Fire

Continued From Page One

Asst. Fire Chief Jim Tabeillon of Navarre said the side of the building was a "sheet of flame" when his men answered the alarm about 9:30 p.m. Some 40 minutes later the front of the building housing the Navarre Department Store and Joe's IGA Grocery fell in at an angle.

At one time an observer counted 20 streams of water being poured on adjacent frame buildings to confine the blaze. Water was pumped from the Tuscarawas River.

Three persons who lived in a second-floor apartment above the grocer were trapped briefly by smoke but escaped without serious injury.

Cause of the blaze, which firemen said started in the grocery, was not known. No damage estimate was immediately available.

The state highway patrol sent five cars to the area as traffic was rerouted on U. S. 21, which passes through Navarre.

Franklin PTA Hear Panel Discussion

A panel discussion on school problems was presented at the recent meeting of the Franklin Local Parent-Teacher Association.

Rev. Fred Cochran acted as moderator.

Panel members were Lorin Ruff, assistant Columbiana County superintendent of schools; Kenneth Emerick, Franklin Local school board; John Gruzski, who represented the faculty; Carl Blake, representing businessmen; and Dorothy Finnium, the school cook.

Agnes Crawford presided during the business session when reports were presented.

An operetta presented by the school children will be featured during the annual Christmas program scheduled for Dec. 19, it was announced.

Refreshments were served by the fifth and sixth grade mothers.

Policeman's Holiday Dinner Makes Getaway

Policeman Gilbert Bartha Sr. of 1867 Southeast Blvd., is hunting a pig today.

The pig, which belongs to the Barthas, was to be used for a Thanksgiving Day dinner, but it escaped from the Bartha home between 11 a.m. and 5:30 p.m. Tuesday. It was last seen making its getaway north on Fair St.

It answers to the alias of "Sweetie". People are asked to phone Edgewood 2-4741 if they have any facts on the case.
